THE HOSPITAL

THE great benefit of a hospita was never more impressed on the peawhen twenty-two injured from the Alten-Burlington wreck were taken to the local institution for attention As soon as the news of the wreck reached here arrangements were be-gun to care for those that might be and all physicians and nurses tele phoned for. There was no confus-When the injured began to arive, more were brought in than had been at first announced, and the people care to the sid of the hospital direction to assist in facilitating the work of dressing the wounded. Private motor cars were placed at the the wounded in. Business men and others, in all walks of life, aided in carrying more cots to the building. while many women sent in extra bed clothing and offered their services in any other capacity. There was a uniwas lost in giving immediate attention to all the sufferers. Without a nosnital our hotels would have been filled with the wounded and their care would have been more or less haphazard. The splendid equipment of the local institution made it possible to have all of the dressings and instruments needed sterilized by the

THE BELGIAN RELIEF FUND THE New York committee, which has in charge the Belgian Relief fund, writes that it is very anxious for the Ledger to secure subscriptions in Mex ice and Audrain County for this wor thy exuse.

Our people at this time are being called on for so many contributions we don't feel like pressing this matter This is a very worthy cause, and any of our people who desire to make ubscription can do so either through the Ledger or by writing direct to the Relief Fund, of New York, J. P. Morgan & Co., 23 Wall street, will look after your cash subscription The Ledger will take pleasure in forwarding any subscriptions that you may desire to make. Any one wishing to contribute funds to buy flour should notify Mrs. J. W. Million and Miss

Ida Rosamond. THE Mexico Brick and Fire Clay Company has sold Frank Ragadale brick for his new store building, and will also sell, during the next few months, building brick to anyone who may want to buy them. Mr. Green says he is selling building brick pracrically at cost so that he can keep his employee at work during the win ter. Mr. Green is anxious to give as many men employment as possible and if you want first-class brick pract tically at cost, and care to encourage the Brick Company in its endeavor t employ labor, you should buy your building brick from your local plant That's the way to make Mexico :

THE case of the released convict is crime was not of a serious order. teen life-term murderers pardoned by Gov. Cole Blease of South Caro-What is society to do with them and what will they do for themselves? It is impossible to parallel the abuse of the pardoning power by this reckless State Executive, of which the release of these dangerous malefactors is only a sample.

greater city.

THE death of Green Gant remove from Audrain County one of our oldest, most substantial, and sturdy citizens and a man who helped to make Audrain what it is today. The Ledger joins the people of Audrain in extending sincere sympathy to the bereaved.

THE MEXICO LEDGER joins the people of this community in extending cordial congratulations to Dr. and Mrs. W. R. Rodes on the fiftieth anniversary of their wedding. Dr. and soldiers' hospitals in Brooklyn, Bos-Mrs. Redes are two of Mexico's most ton and elsewhere. After the war this popular and influential citizens, and method of raising money was disconwe trust they will live to enjoy many more wedding anniversaries.

"GOOD FELLOWS" are those who in an unselfish way assist others, especially the "kiddies," in having a Christmas and happy Year. Every town in Missouri is full of "Goodfellows," and that's what helps make Missouri a good state to

CITY CLERK, Wallace Dearing, i treasurer of the Goodfellow Fund, to senting all the churches of Mexico You can always find Mr. Dearing at the City Hall, and you can make you subscription or pay your cash for this fund to him at any time.

THE editor of the Missouri Notes in the Kansas City Times says "Business is reported as more than medium for the clairoyant who after trimming the credulous at Moberly skipped the town,"

DR A. A. WALLACE, pastor the Presbyterian Church of Mexico. preached a splendid Thanksgiving ermon at the Union Services Thur day morning, which was listened t by a large, representative and appre clative congregation.

WE are glad to learn that the pay ing of E. Jackson street is being agitated for early spring. That's the way to make Mexico a greater city-There should be four or five miles of street paving put down during 1915.

A "SLOW" sign is to be put u by residents on South Jefferso street at the Hardin College turn and must be observed by automobil drivers.

QUEER CRITICISMS OF PRESIDENT WILSON.

THE New York World, speaking of on's administration, editorially says: "Some of the critics of the Presient's neutrality policy have weird ers of government. For example, Roger W. Babson, writing in the Sun makes this unique contribution to the law of the Nation:

"How bitter the Germans would feel toward us when they hear our Government is permitting munitions of war to be shipped every day from this country England, Russia and France. while Germany cannot get from us even the necessities of life! Of course our excuse is that it is not our fault that England controls the seas. Yet we know very well that if our State De partment should say to England, 'We will permit nothing to be shipped to your country or France unless you permit the merchant ships of all nations the freedom to transport goods not ntraband,' England would gra-

clously give in "It is possible that England would raciously give in,' but it is quite ertain that the United States Sureme Court would not give in, grausly or ungraciously or at all. The State Department has about as much power to place an embarge on exports to Great Britain and France as has to compel Mr. Babson in comhard enough at best and where his piling his rallway statistics to make two and two five.

There was a time when the average telligent American knew something about the Constitution, something Americans of that type are rapidly would be no marrages solemnized by East. Perhaps they think that Mr. toosevelt abolished the Constitu-

HOW THE RED CROSS

SEAL WAS ORIGINATED Nearly \$1,900,000 has been raised by Red Cross Christmas Seals in the last six years, and yet many people who will buy these holiday stickers at this seventh annual sale do not know how the charity stamp idea originated.

It was war that brought forth the harity stamp-our Civil War of '61 o '65. Some of your grandmothers first played "postoffice" with stickers similar to Red Cross Seals 'way back in 1862, when they conceived the idea of selling stamps at fairs for the benefit of the relief funds for the tinued in this country for a genera ion, although it found vogue in Portugal, Switzerland, Austria, France,

Stamps on scals were first used to get money for the anti-tuberculois crusade in Norway and Sweden in 1904. To Jacob Riis, the well-known social worker of New York, and to Miss Emily P. Binsell, the energetic cretary of the Delaware Red Cross, jointly belong the honor of originatng our American Red Cross Christ mas Seal. In 1909, Mr. Riis' interest was aroused by the receipt of a Christmas tuberculosis stamp on a etter from Norway. He published an

Sweden and other European cour

about this queer-looking stamp in the "Outlook," and suggested some possible uses for it in this ountry. Miss Bissell at once saw an opportunity here and prepared tamp, from the sale of which ociety realized \$3,000 for tuberculois work. So impressed was she with his success that she induced the American Red Cross to take up the sale in 1908 on a national basis. With very little organization and with hard any attempt at careful advertising home to the high school students was the sale that year brought in, neverheless, \$135,000 for anti-tuberculo s work in the various parts of the Juited States. In 1909, with more horough organization, the sale was creased to nearly \$310,000; 1911 to over \$300,000, and in 1912 to

ver \$400,000. Last year the sale was acreased to nearly 45,000,000 seals, etting \$450,000 for the anti-tubercu-Dr. H. E. Tralle prenched at sis campaign. Baptist Church in Paris Sunday.
